

## *Research First Before Dividing Property!*

Any land or lot within a plat or record (or not) on the effective date of this ordinance shall not be re-divided into two (2) or more lots unless the provisions of the Subdivision Regulations of Santa Rosa County, Florida, (Section 4.03.00 et. seq.) of the Land Development Code have been met.

## *Site Plan Approval*

Site plan review, as provided in Section 4.04.00 of the Land Development Code is required for all uses in this district.

## *Performance Standards*

See The Land Development Code for Performance Standards, Section 6.05.16M.

## MARINA AND YACHT CLUB (C2M) ZONING DISTRICT (EFFECTIVE APRIL 1, 2004)

**Research done today, could save you time and money.**

The information provided in this brochure is extracted from the Santa Rosa County Land Development Code; however, it is the responsibility of the applicant to contact the Planning and Zoning Division to discuss land use issues when a change is desired. This brochure is only to be used as an overall help tool for the general public.

**Note: Land Development Code is subject to change.**

## *Purpose*

Designed to accommodate watercraft and limited commercial services, this district is intended to be used for docking of watercraft. Major repairs or reconstruction of watercraft are not permitted within this district.

Bulk regulations, Performance Standards, and other site plan criteria shall regulate marine related activities to protect the public's general health, safety, and welfare.

The County Planning and Zoning Division shall consider the rules and regulations governing the following areas in their planning and zoning processes:

1. Aquatic preserves;
2. Outstanding Florida Waters;
3. Class I Waters;
4. Marine Sanctuaries;
5. Estuarine Sanctuaries;
6. Areas approved or conditionally approved by the Florida Department of Natural Resources for shellfish harvesting;
7. Other highly productive or unique habitats as determined by the Department of Natural Resources based on vegetation or wildlife species; and
8. Areas designated on the Department of Community Affairs Oil Spill Sensitivity Atlases as sensitive to oil spills.

## *Density*

One (1) to four (4) units per acre.

## *Permitted Uses*

In this district a building or premises shall only be used for the following purposes.

1. Single and two family residential dwellings not exceeding four (4) dwelling units per acre. Mobile homes are prohibited.
2. A private yacht club directly accessible from a primary road system.
3. Marina facilities, subject to the following:
  - a. All docks and structures erected over or in the water shall be confined to the area which is adjacent to the uplands forming a part of the marina.
  - b. Major repairs such as construction or rebuilding of watercraft, installation of new bottoms, or substantial structural additions or alterations are prohibited as these are industrial in nature.
  - c. All docks and structures erected on the water shall be on piers permitting the free flow of water. No bulkhead shall be permitted to extend beyond the mean high water line.
  - d. Storage of oil and fuel for servicing of craft in marinas may be provided. However, underground storage of gasoline or other fuel shall not exceed twenty-five thousand (25,000) gallons capacity.
4. Restaurants, which may include serving of alcoholic beverages as allowed by law (but only as an accessory use to the restaurant).

## *Yard Restrictions*

Front Yard: Except as provided in Section 2.10.03 of the Land Development Code, there shall be a front yard having a depth of not less than fifty (50) feet measured at the front setback line when abutting a public right-of-way. This requirement may be reduced to twenty-five (25) feet when abutting private road.

Side Yard: A five (5) foot side yard shall be required for commercial uses provided, however, that on any side of a lot which abuts a residential district there shall be a side yard two (2) times the side yard required for the residential district which it abuts.

Rear Yard: Except as provided in Section 2.10.04 of the Land Development Code, there shall be a rear yard for the project parcel or single and two family lots of not less than twenty-five (25) feet.

## *Lot Size*

A minimum land area of five (5) acres, with a minimum of two hundred fifty (250) feet on a navigable waterway and minimum street frontage of two hundred fifty (250) feet for marina facilities.

The minimum width for any lot used for one (1) or two (2) family dwelling units shall be fifty (50) feet when measured at the minimum front setback line, but the minimum width of any lot or project used for multiple family dwelling shall be one hundred (100) feet when measured at the minimum front setback line. The minimum lot width shall be maintained through the rear of the residential Structure. Zero lot line, patio, and cluster homes shall provide a minimum of forty (40) foot width lot at the minimum front setback line. In all cases minimum width at the street right-of-way line shall not be less than forty (40) feet. Zero lot line, patio home, and cluster home sites shall provide a minimum four thousand (4000) square foot lot size.
